THE MAP TO EVERYWHERE

ABOUT THE BOOK

To master thief Fin, an orphan from a murky pirate world, the Map is the key to finding his mother. To suburban Arizona schoolgirl Marrill, it's her only way home after she accidentally stows away on a ship sailing the Pirate Steam, the magical waterway connecting every world in creation. With the help of a bumbling wizard and his crew, Fin and Marrill go on a hunt that will take them through treacherous worlds and dangerous waters, and under the nose of a ghostly enemy, but their friendship will bring them both home.

This fantastical new adventure series by Carrie Ryan and John Parke Davis will set you on the course for a heart-pounding and unforgettable tale!

ABOUT THE AUTHORS
