Fin has an interesting trait: the minute someone looks away from him, they forget about him! Luckily, his friend Marrill makes him a sign that will remind others who he is. In case you find yourself in Fin’s shoes one day, draw a self-portrait in the space provided and fill in the factoids below.

You know me. My name is _________________________________.

I have ________________ hair and _________________ eyes.

Three of my favorite things are: ____________________________.

Three things I dislike are: ________________________________.

I am your friend. Don’t forget!

ABOUT THE AUTHORS

Husband and wife Carrie Ryan and John Parke Davis have been in love with each other’s writing (and with each other) since meeting in law school a decade ago. Carrie is the New York Times bestselling author of the critically acclaimed and multi-award-winning Forest of Hands and Teeth series, which is based on a world she and JP created together. She is also the author of Daughter of Deep Silence and Infinity Ring: Divide and Conquer, and the editor of Foretold: 14 Tales of Prophecy and Prediction. JP is the First Assistant Federal Defender for the Western District of North Carolina, as well as a published author of short fiction. Although they’ve been important parts of each other’s writing for years, the Map to Everywhere series is their first full collaboration. They live in Charlotte, North Carolina.
